1. Purpose and occurrence

The purpose of this document is to outline the process to be taken upon receipt of an International Student Application and Pre-Enrolment Form.

2. Policy and procedures

A. Requirements:

This policy meets the requirements of the [National Code of Practice for Providers of Education and training to Overseas Students 2018](#), Standard 2 - Recruitment of an overseas student and Standard 3 - Formalisation of enrolment and written agreements.

This policy also meets the requirements of the [Standards for RTOs 2015](#), including the relevant [chapter 2](#).

- International students provide supporting documentation and a completed international student application form (direct or through MARS representing agent).
- MARS ensures students' qualifications, experience and English language proficiency are appropriate for the course which the student seeks enrolment for.
- MARS recognises qualifications and Statement of Attainments issued by the other Registered Training Organisations.
- MARS does recognise students' prior learning & experience students may apply for the gaining course credits through the process of Recognition of Prior Learning (RPL).
- For details, please refer to: <https://www.mars.edu.au/information/forms-and-policies/>
- A letter of offer along with student agreement & acceptance of offer will then be issued to the student based on assessments conducted to meet requirements for entry to course. In cases where the Entry criteria is not met, conditional letter of offer and the written agreement and acceptance of offer issued. These are case to case basis approved by Authorised representative of Mars or CEO. Student has to sign the student agreement and acceptance of offer provided by MARS with appropriate payment and must fulfil all the conditions. This confirms that the student accepts and understands the terms and conditions of enrolment at MARS. Confirmation of Enrolment (COE's) are issued after signed copy of written agreement and acceptance of offer is received along with the completions of any conditions imposed.
- The signed acceptance and agreement form with supporting documentation will be maintained on the SMS system.

3. Entry Requirements

Students will need to meet the following entry requirements dependent on the chosen course:

- Successful completion of Year 11 or 12 or the #equivalent level of study for all courses.
- Applicant must be 18 years of age or above.
- Training Package entry requirements as per the student's chosen course(s) (if applicable).
- Passing the MARS Language Literacy and Numeracy Test
- If the applicant's educational qualifications do not meet MARS's admission requirements, other factors may be considered at the discretion of the Institute.

If the applicant's #educational qualifications do not meet the Institute's admission requirements, other factors may be considered at the discretion of the Institute. The option is discussed with the agent/ student at application and/or offer assessment stage. Evidence of these other factors must be included with the application or requested after discussion with agent/student. These other factors include:

- Satisfactory completion of Business Aptitude test/ Trade Aptitude test for students who are not able to present completion of year 11/12 or equivalent. This includes mature age students as well. Mature age student is a general term to refer to adults who return to study. It is usually someone who has been out of school for at least 1 year and is not a current school leaver and or proof of being 18 years or older at the proposed date of commencement
- Before admission is confirmed from MARS, such students are required to complete a Business Aptitude test and score 70% in each section of the test. If score is less than 70% in each section, admission to the course can be denied After the enrolment has been confirmed, the student will be required to undergo LLN test before the course commences.

International Application and Enrolment/Orientation Policy and Procedure

- If student has completed Certificate IV or above [AQF](#) or [NZQA level](#) qualification, then Year 11/12 requirement can be waived
